

## Deele College

This guide is split into two sections and is designed to help you get logged into your classes. Section one covers accessing Classroom using a web browser on a laptop or desktop computer. Section two covers accessing Classroom using a mobile phone or tablet App.

Please note : School emails remain the property of Deele College and are strictly for the use of school business.

### Accessing Google Classroom from a web browser.

1. Visit **www.google.ie**
2. Select "Sign In" at the top right hand corner.  
Sign in using your student email address e.g. **DC2020.12345@donegaletb.net**
3. Click next, then enter your password e.g. **dETB\*1234**

Two screenshots of the Google sign-in interface are shown. The left screenshot shows the 'Sign in' page with the text 'Use your Google Account' and an input field containing the email address 'DC2020.12345@donegaletb.net'. A red arrow points from the email address in the list above to this input field. The right screenshot shows the password entry page with the text 'Hi Joe' and an input field for the password. A red arrow points from the password 'dETB\*1234' in the list above to this input field. Both screenshots have a 'Next' button at the bottom right.

**NOTE: Please make sure you have your login details  
\*School [Deele College] Email address and \*Password**

**NOTE: If this is your first login you may be asked to accept the terms and conditions and to choose a new personal password.**

- Once you reach your email inbox, click the 'grid' menu in the top right corner  
Select '**Google Classroom**' from this menu.

- If this is your first time in Google Classroom you may need to confirm you're a student...

- If you have been invited to join a class by your teacher you may see classes listed with the option to **Join** or **Decline**.
- If your teachers have provided classroom codes to join a class you can click the **+** symbol in the top right corner and enter the code they provided.

8. Once you have joined a classroom you can see the content feed under the **'Stream'** menu item. This is where your teacher will post content and material for your subject.

9. Under the **'Classwork'** tab you will see assignments and quizzes that your teacher has assigned to you.

10. Under the **'People'** tab you will see other students that have been enrolled in your class.

## Accessing Google Classroom from an APP on phone or tablet.

1.  
Install the  
**Google Classroom** app  
from Google's **Play Store**  
on Android phones or  
from the **App Store** on  
iPhones.

### About this app →

Connect with your classes and do homework on the go.

Education #2 Top apps

### Rate this app

Tell others what you think

2.  
Open the app, click  
**'Get Started'** and log in  
using your school email  
address and password.

If this is your first login  
you may be asked to  
accept the terms and  
conditions and to choose a  
new personal password.

3.  
Any classes you have already joined will appear as well as any classes you have been invited to join.

To join a class using a Class Code provided by your teacher, click on the **+ symbol** and enter the class code provided.

To enter a classroom simply click on its tile.

4.  
Once in a Classroom you can see the following:  
**'Stream'** page which contains all the content your teacher has posted for you  
**'Classwork'** tab has all assignments and quizzes that have been assigned and  
**'People'** tab shows all students enrolled in your class.
