1st December, 2020.

Dear Parent(s) / Guardian(s),

Deele College would like to inform you of our plans for the enrolment process for 6th class students looking to enrol in Deele College for the 2021-22 school year. The following is the most up-to-date information and may be subject to change based on the Public Health guidelines issued by the Government and the Department of Education.

This is an exciting time for all 6th class students that brings much hope and expectations for both parents and students alike. Although this is a new beginning for our future students, it too has been affected by the ongoing Covid-19 pandemic.

Deele College has had to make changes to our enrolment process for this year. We will ensure that all 6th class students have the necessary information about Deele College to assist with their decision on where they wish to enrol. Our enrolment team have prepared information leaflets, application forms and promotional videos that will assist you in arriving at your decision when selecting a post-primary school. Please visit our website www.deelecollege.ie for further information on subject choice and all the programmes and activities on offer at Deele College.

We do apologies that we cannot invite you and your son/daughter into Deele College for our Open Day and Open Night that was planned for January, 2021. We hope that this information pack will in some way compensate for this as we play our part in following the Governments Covid-19 Public Health guidelines.

These are the key dates and milestones associated with our Enrolment Programme for 2021-22.
